

Costings per delegate: **FREE**

However, attendance at all sessions is an expectation along with a commitment from your Headteacher

Venue: Malmesbury School

French Teacher Subject Specialism Training

Who is this course for?

Teacher Subject Specialism Training (TSST) in secondary MFL helps to build capacity in schools to deliver the English Baccalaureate (EBacc). In addition to non-specialists and returning teachers, the programme is available to specialist language teachers who may be looking for a refresher or who may be able to teach a second language.

The French TSST course is aimed at teachers with QTS in the state sector who are already teaching or plan to teach some French at secondary/FE level. This course is **FREE** through funding provided by the DfE and is run by the Avon Teaching School Alliance at Malmesbury School and Bristol University.

Programme Objectives

Preparing non-specialists to teach French confidently at KS3 and through to GCSE, the course draws on up-to-date research to improve subject knowledge, pedagogy and practical skills.

Outcomes for participants:

- raise the overall quality of teaching and learning in lessons and contribute to schemes of learning
- extend subject knowledge and learn and develop skills with others from schools across the region
- wider teaching opportunities after the TSST programme is complete

Outcomes for Schools

- increased number of language specialists with the confidence to teach French as a second subject
- more flexibility in timetabling

How to Apply

For more information and to register your interest for a place on the French TSST course that we are running at Malmesbury School, please complete the booking form on our [website](#) or email avontsa@malmesbury.wilts.sch.uk
